

The Peacock Crown
INDIAN STONE EXPORTERS

THE ROYAL MARBLE

FROM ORNAMENTS OF TAJ MAHAL | VOL. I | 2026

FROM THE QUARRY TO THE WORLD

The Peacock Crown is a premier manufacturer and exporter of Indian natural stone, headquartered in Rajsamand, Rajasthan—the heart of India’s marble belt.

Being located directly at the source allows us to control quality from the block stage to the final crate, ensuring premium consistency. We specialize in high-quality Granite, exotic Marble, and architectural Sandstone for global projects.

Location: Rajsamand, India

Capacity: 15 Containers / Month

Packaging: ISPM-15 Certified Wooden Crates

Port of Loading: Mundra / Pipavav

JK IMPERIAL

GOLDEN SPIDER

Defined by its intricate network of golden-brown veins spreading across a warm white base, resembling a natural web.

Recommended Application: Feature Walls, Hotel Lobbies.
Surface Finish: High-Gloss Polish, ask for other

MOCHA FLOW

A darker, richer variation where the brown figures dominate, creating a cozy, coffee-toned aesthetic.

Recommended Application: Living Room Flooring, Bathroom Vanities.
Surface Finish: Mirror Polish, ask for other

ABSTRACT

Features bold, chaotic patterns where the grey and brown minerals collide to create natural art. No two tiles look alike.

Recommended Application: Statement Floors, Reception Areas.
Surface Finish: Polish

CREAM PRIME

A softer, more subdued version with a creamy background and gentle, feathery veining.

Recommended Application: Residential Bedroom Flooring
Surface Finish: High-Gloss Polish, ask for other

ANTIQUÉ

Carries an old-world charm with weathered brown tones and heavy figuring, perfect for heritage-style interiors.

Recommended Application: Courtyards, Traditional Villas.
Surface Finish: Polished, ask for other

GREY MIST

A unique lot where the grey tones overpower the brown, giving it a cool, contemporary industrial look.

Recommended Application: Modern Offices, Commercial Spaces..
Surface Finish: Mirror Polish, ask for other

DUNE

The veining flows in a sweeping direction, mimicking the movement of sand dunes

Recommended Application: Large Halls.
Surface Finish: Polished, ask for other

MORCHANA CLASSICO

PURE

The brightest selection. Predominantly white with very faint, ghostly grey figures. The most minimalist choice.

Recommended Application: Temple Floors, Puja Rooms.
Surface Finish: Mirror Polish, ask for other

WAVE

Defined by purple-grey waves that ripple across the slab. When installed, it creates a "sea of white" effect.

Recommended Application: Main Hallways, Ballrooms..
Surface Finish: Gloss Finish, ask for other

DIAMOND

The veins are structured to form natural diamond or geometric shapes when four slabs are joined.

Recommended Application: Centerpieces, Entrance Foyers.
Surface Finish: Gloss Finish, ask for other

BOLD

Thick, aggressive straight lines that command attention. The highest contrast version of the series.

Recommended Application: Commercial Corridors, Exterior Facades
Surface Finish: Polished, ask for other

WOOD

The brown striations closely mimic the look of natural timber, offering the warmth of wood with the durability of stone.

Recommended Application: Commercial Corridors, Exterior Facades
Surface Finish: Polished, ask for other

LINEAR

Features perfectly parallel, pencil-thin lines. Ideal for architects looking to elongate a narrow space.

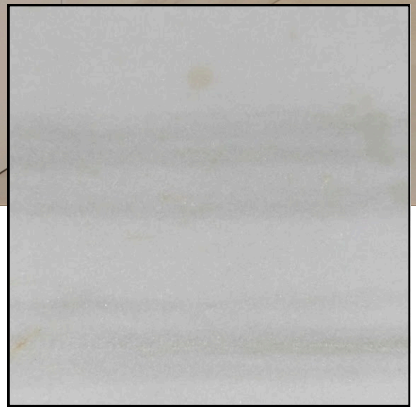

Recommended Application: Commercial Corridors, Exterior Facades
Surface Finish: Polished, ask for other

RIVER

The lines are not perfectly straight but flow gently like a river current.

Recommended Application: Bathroom Walls, Spa Areas.
Surface Finish: Polished, ask for other

CROSS

A rare variation where cross-veins intersect the main lines, creating a woven fabric texture.

Recommended Application: Feature Walls, Flooring etc.
Surface Finish: Polished, ask for other

ZEBRA

High-contrast black/dark brown stripes against a white background. Very striking.

Recommended Application: Boutiques, Retail Display Areas.
Surface Finish: Polished, ask for other

CLOUD

A dreamy, foggy appearance with no sharp lines. The grey veining is soft and diffused.

Recommended Application: Bedrooms, Relaxation Zones
Surface Finish: Polished, ask for other

NET

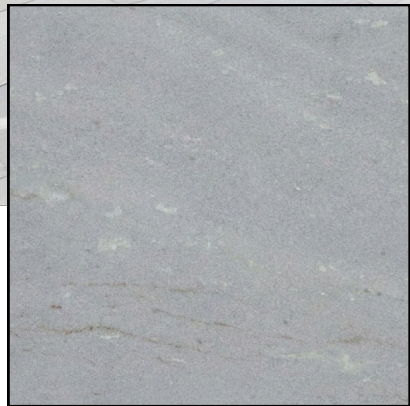

The veins form a fine mesh or "net" pattern, adding intricate detail without overwhelming the eye.

Recommended Application: Interior Flooring.
Surface Finish: Polished, ask for other

KELWA CRYSTAL

WHITE

A bright, crystalline stone that sparkles under light. Extremely hard and durable.

Recommended Application: Roof Terraces, Balconies.
Surface Finish: Polished, ask for other

GREY

A darker, moodier crystal marble with a consistent grey tone. Hides dust well.

Recommended Application: Driveways, Parking Areas.
Surface Finish: Polished, ask for other

JHANJHAR QUARTZ

Known for its large crystal grains and semi-translucent nature. It glows when backlit.

The Peacock Crown
INDIAN STONE EXPORTERS

Recommended Application: Garden Features, Boundary Walls.
Surface Finish: Polished, ask for other

AMBER

Features rich amber and honey tones. Brings a "Golden Hour" warmth to any room.

Recommended Application: Hotel Suites, Drawing Rooms.
Surface Finish: Polished, ask for other

EARTH

Darker brown patches mix with the beige, creating an earthy, grounded aesthetic.

Recommended Application: Library, Study Rooms.
Surface Finish: Polished, ask for other

VEIN

Defined by sharp, lightning-like dark veins cutting through the beige background.

Recommended Application: Library, Study Rooms.
Surface Finish: Polished, ask for other

ELITE

The cleanest white base in the collection with barely visible grey wisps.

Recommended Application: Luxury Villas, Altars.
Surface Finish: Polished, ask for other

STATUARIO

Bold, singular grey veins on a stark white background. A cost-effective alternative to Italian Statuario.

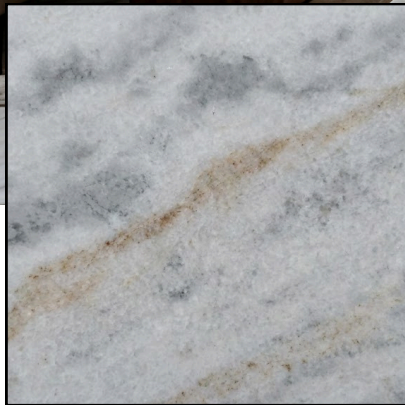

Recommended Application: Wall Cladding, Table Tops.
Surface Finish: Polished, ask for other

GALAXY

A chaotic mix of spots and swirls that resembles a starry galaxy.

Recommended Application: Large Open Spaces.
Surface Finish: Polished, ask for other

SPOT

A darker variant with a grey base tone, suitable for high-traffic areas.

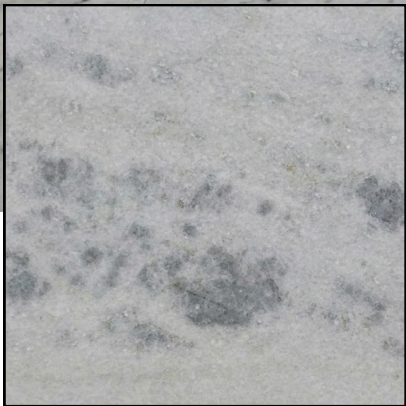

Recommended Application: Rental Properties, Commercial Floors.
Surface Finish: Polished, ask for other

SNOW

A white-base Vanni where the spots are faint grey, making it brighter than the standard lot.

Recommended Application: Residential Flooring.
Surface Finish: Polished, ask for other

PRIME

Bright white marble with distinct broad green bands. A classic Rajsamand look.

Recommended Application: Budget Housing, stairs, Commercial Projects.
Surface Finish: Polished, ask for other
